HP ProBook 11 EE G2

Compose, create, and inspire with the durable HP ProBook 11 EE. Loaded with Windows 10[1] Pro and HP School Pack tools, it's built for students.

HP recommends Windows 10 Pro.

- Windows 10 Pro[1]
- 11.6" diagonal

Powered to perform

Use the power of 6th Gen Intel® Core™ processors[2] to engage students for hours without interruption thanks to long battery life.

Built with students in mind

Built MIL-STD tough for the classroom.[3] Bumps, bangs, and minor spills are no big deal for this portable and durable notebook featuring a reinforced chassis with co-molded rubber trim, and a spill-resistant keyboard and touchpad.

Teaching and learning made easy

Teaching and collaboration is easy with the HP School Pack software suite designed to enhance the learning experience.

Featuring

- Help protect from today's security threats and maximize management and productivity features for schools with Windows 10 Pro.[1]
- See clearly on an 11.6" diagonal HD WLED display with optional capacitive touch.
- Communicate via HD webcam, DTS Sound™, two speakers and a background noise suppression mic.
- Study anytime and anywhere with a smooth internet connection.[4]
- Multiple reinforced ports not only support multiple peripherals but are built to last.
- Notebook charging carts, carrying cases, replacement batteries, security locks, and spare adapters make life—and learning—easier for students and teachers.
- Take advantage of the resources provided by HP School Pack, a software suite that includes adaptive learning platforms, classroom management tools,[5] security features, onboard IT support, and more.
- Simplify technical support with Helpdesk by HP Care.[6] Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices, and operating systems.
- HP helps you preserve your time and optimize your resources with expert configuration and deployment services that bring you fast, accurate, and globally standardized IT solutions.

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
[2] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[3] MIL STD 810G is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
[4] 802.11 is an optional feature. Wireless access point and internet access required. Availability of public wireless access points limited.
[5] HP Classroom Manager for Teachers is required for control and device locking from the teacher's Windows desktop console; no locking and control functionality originates from HP Classroom Manager for Students.
[6] HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
[2] This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
[3] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[4] For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 7 and 10) is reserved for system recovery software.
[5] 802.11 wireless requires wireless access point and internet service. Availability of public wireless access points limited.
[6] The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
[7] WWAN is an optional feature and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors.
[8] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast
[9] IP41 test results are not a guarantee of future performance under these test conditions.
[10] HD content required to view HD images.
[11] HP Classroom Manager for Teachers is required and sold separately for control and device locking from the teacher's Windows desktop console; no locking and control functionality originates from HP Classroom Manager for Student. Control and device locking originate from the teacher's Windows desktop console
[12] ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see www.hp.com/go/businessmobileprinting.
[13] HP Support Assistant requires Windows and internet access.
[14] External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
[15] Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
